

Before the Court is Magistrate Judge Shon T. Erwin's Report and Recommendation (Dkt. 6), recommending that Plaintiff's Motions for Leave to Proceed In Forma Pauperis (Dkts. 2, 5) be denied.

1

Rather than file objections to the Report and Recommendation, Plaintiff has since filed three more Motions for Leave to Proceed In Forma Pauperis (Dkts. 8, 9, 12). All of these Motions suffer from the same deficiencies that Judge Erwin laid out in his Order. Almost every question is answered incompletely, failing to provide the specific financial information needed to consider an *in forma pauperis* application.<sup>1</sup> The latest Motion (Dkt. 12) is missing the first page of the application form, but does include a new civil cover sheet naming different plaintiffs and defendants and alleging different jurisdictional bases compared to the Complaint (Dkt. 1).

While the Court construes pro se filings liberally, Plaintiff's Motions evidence no attempt to comply with Judge Erwin's Order. Having reviewed the matter *de novo*, the Court **ADOPTS** the Report and Recommendation (Dkt. 6); and **DENIES** Plaintiff's Motions (Dkts. 2, 5, 8, 9, 12). Plaintiff shall prepay the full \$402.00 civil filing fee within twenty days of this Order. If Plaintiff fails to do so, this action will be dismissed without prejudice.

**IT IS SO ORDERED** this 31st day of January 2024.
